National Student/Parent Mock Election Day is October 30, 2008. We will be hosting a few regional “Rally and Tally” type events where students from across the state can meet candidates and watch the student vote results come in from schools across the state. Conduct a mock election in your school and send us your results or attend a rally. We will prepare a package for you with materials from the National Student/Parent Mock Election Program and will submit state totals to their national website. For more information visit: [www.nationalmockelection.org/](http://www.nationalmockelection.org/) and the SOS website.

Research, design, presentations, fundraising and an enduring memorial for students to be proud of are the rewards. Learn more by visiting: <http://www.maine.gov/sos/kids/homepage.htm>.
